

Recycle Your Jewelry

And Make a Difference In The Lives of Maasai Girls in Tanzania!!

Here is how you can help!! Gather your old and unwanted jewelry and donate it to The IMAGE Project, a Minnesota non-profit organization. The IMAGE Project will RECYCLE your jewelry and in exchange we will provide support for young Maasai girls. For every dollar we gain from our recycling program, you are helping to provide education, room and board and food; as well as a choice for girls who are often wed as young as 12-years old in exchange for a dowry of cows for the girl's family.

All jewelry is accepted: watches, rings, bracelets, earrings, pins, necklaces, and cuff links.

Please mail your donations to The IMAGE Project, P. O. Box 222, Rush City, MN 55069.

Thank you for making a difference!
